### The Premises:

Clean flat on Garrick Street in Covent Garden.

### The Lady:

Buxum Indian Girl in her early 20's.

### The Story:

New girl who has just started working for this agency. The website (and their related website - Kama Sutra in the City) is hopelessly out of date, so no pictures of her (the link is to Shamilla who isn't working there anymore). Zara is not really my type - I prefer slimmer girls - but she is very friendly and willing so I still recommen her, especially to first timers/nervous types!
