### The Premises:

Clean basement flat in quiet road. Stefani seemed to be the only person there. Affair Girls appear to act purely as an agency and their Web site lists at least 30 girls. I rang for an appointment in the Edgware Road area, was given the names of two girls, and Stefani's address was texted to me once they had checked she was available.

### The Lady:

Stefani is absolutely stunning. Her body is every bit as good as the pictures on her web site, and she keeps herself very fit. She has small breasts (she told me she wants to get them enlarged), but her face has much more character than the pictures show. She gave me an erection just to look at her. She is Eastern European (from Latvia if I remember right) and told me she has only been here for a month and a half, but she speaks good English and certainly seemed happy to be here.

### The Story:

Unlike the previous reviewer, I would heartily recommend Stefani. She gives a proper girl-friend experience, and although her kisses were a little bit restrained at first, she was soon kissing me hard on the lips and pressing her gorgeous body to mine. After we touched and cuddled for a while (she was happy to let me fondle her pussy) she went down to give me pretty good OWO, and let me cum in her mouth although she did quickly spit it out. She let me give her a light spanking, but this isn't really her thing. She seemed genuinely turned on when I fucked her from behind, after which she lay down beside me and fondled me and talked until I was ready for her to climb on top of me and enthusiastically fuck me once again. We wrapped up when her phone alarm told her time was up, but she was happy to let me have a shower and kiss her deeply several more times before leaving.
