The Premises:

A discreet terraced house between Edgware Road and Baker Street. Clean and quite spacious with a full length mirror by the bed. London Submissive Babes appear to alternate between Carrie (who is also recommended) and Emma.

The Lady:

Emma's pictures on the site don't do her justice as she has a beautiful intelligent face and an absolutely wonderful bottom. She is English, with a very alluring upper-class accent, and genuinely submissive. I would imagine she is around 25 years old.

The Story:

I really wanted to spend an hour with Emma, but someone else arrived just after me, so she could only give me 30 minutes, at a cost of ?100. This included a full sexual experience as well as a hard bare-bottom spanking, but she charged ?10 a stroke for leather paddle or tawse, and ?20 a stroke for a wooden paddle or cane.

She agreed to do a 'naughty secretary' scenario, which she played very well, staying in character nicely. Then it was over my knee for a hard spanking, first through the thin dress and then bare bottom through her thong. She has a wonderful bottom for spanking, and makes the whole experience more pleasurable by responding to each slap in a convincing way, crying out and writhing sensuously, which is a nice change. She then took six hard strokes of the leather tawse across the buttocks, before slowly 'persuading' me that I might like to be sucked off, while still staying in role. She gave excellent oral and sex, although she warned me against French kissing as she had a bad cold. She also wouldn't let me touch her pussy without first putting on surgical gloves, which somewhat spoiled the experience. Emma is good fun and extremely sexy, although she didn't quite give herself to the experience as much as Carrie.
