The Story:

Bit of a funny one this. Patrice is almost Manchester folk law so when the opportunity arose to see her I jumped at the chance. All I can say is that it's all true the lady is the definition of a superb punt in terms of what she says & does. By this I mean full on french kissing, she rimmed me as if her life depended upon it and her OWO & CIM were absolutely knee jerking (Oh and we had sex in a few positions as well). However the one thing I would say (and Patrice please believe me I mean no offence) is that age catches us all. I cannot recommend Patrice highly enough for the experience (after cumming I was weak at the knees all the way home) but if your tastes are for the younger end of the scene then stay away. If however you are 'one' with the sands of time Patrice is the 'Chelsea' of the punting world (hard to say as I'm a Man U fan).
