The Premises:

Once again the room was clean and well presented and better than the average parlour i have frequented.

The Lady:

Reena can only be described as perfect in every way with a beautiful face and body to match and a endearing personality which is always eager to please.

The Story:

Started with a massage and then she proceeded to give me a bj from heaven, after a few mins she offered me to return the favour which she seemed to appreciate, then we went through a number of positions (at her suggestion) which left me fully satisfied. She with ameera is a true asset to funplace which is head and shoulders above its rivals in terms of value for money and ladies.
