### The Premises:

Very nice place - had the same sort of atmosphere as a kind of strip bar crossed with a therapeutic kind of incense smelling living room. Felt safe - was on a main road close to town centre but down a short little alley way. Easy to slip in unnoticed.

### The Lady:

She is fit - dark hair with highlights - she is a size 8 and a fantastic figure - nice little bum and good boobs - enhanced and nice.

### The Story:

On first arrival - the maid came straight to me and showed me into the bedroom where she offered me a shower and put on a dirty DVD asked for a teener then said the lady would be with me in a second and left. Felt very comfortable.

Had a shower and came out to be greeted by a fantastic looking 30 something girl in a sexy slip.

This was my first time at one of these places and she made me feel very comfortable - very professional without feeling like it was professional if you know what I mean. A good one to go to if you need to lose your massage parlour virginity.

She started by welcoming me with a fantastic snog tongue and all - which she was good at - then gave me a massage kissed my back and bum and neck and legs - then played with the little feller for a while before rolling me over and carrying on with some more massage and snogging. Then on with the condom for a pretty shuddering blow job whilst I fingered her - man she was good almost had to slow her down - don't know if it was the fact it was 1st time in a place like this or she was just great at it - but I been shagging a while now and it don't often get me that worked up with a johnny on - anyway then she slipped on top of me and needless to say it didn't take much of the old cowgirl to make me cum. Bit more kissing and a shower then I paid and left - very friendly very chatty - also commented on my cute little bum which was appreciated - hopefully she knows who I am and knows that I enjoyed it Thanks Emma
