The Premises:

Easy to find appt block very close to Baker Street tube station. Perfectly adequate bedroom for the planned activities.

The Lady:

Very good looking blond. One of those you are not sure whether to call a girl or a lady. Great tits. To be honest, a bit chunkier than in her photos, but very attractive.

The Story:

Had 2 punts very close together (within 2 days) and experienced the highs and lows in quick succession. This was the high.

Tara (or Alex as she is known everywhere else she is listed) is a very horny woman. Forget the small-talk and the pretence. We just had great sex. And that is why I punt. If I just wanted the cold shoulder and a quick jump I'd shag my missus.

The thing is, we talk about GFE and PSE, but what we really want is a bit of both. We want GFE to start off with and then for her to turn into a real harlot when things hot up.

Tara kisses like she's just met you in a club and wants to shag you. Full on french kissing - very arousing. Lots of kissing, undressed each other - I kissed those fab orbs, she lay down and pretty much invited me to go down on her shaven pussy. Much slurping later and we swapped positions.

She gives the best BBBJ I have ever had. Deep throat, total control - unbelievable. Nearly had me spurting instantly. Sucked like a hoover for 10 mins. Then slipped my cock between her tits and gave me the best tit-fuck I've ever had. Things were going well.

Eventually rolled on a rubber and climbed aboard for some CG, rolled over and I banged away in mish for about 10 strokes and shot my load. She was rubbing her clit like mad while I was fucking her - I think she forgot I was there!

Pretty much straight into round 2 with lots of kissing, wanking, BBBJ, tit-fuck and more stuff I can't remember. Ended up fucking her mouth and blowing a load down her throat. Fantastic.

Best thing, slipped a hand between her legs during round 2 and her pussy was gushing. She seems to love having sex. Or maybe I'm a stallion ... lol. :)

All time top 5 punt. Absolute sex goddess. This is why I punt. She is a skilled courtesan.
