The Story:

This is a difficult one. The Clair I met wasn't the girl pictured on the site. Fortunately she proved to be absolutely stunning, fantastic body and very friendly. Started with OWO - expertly done leading to sex in a variety of positions. Nice chat afterwards, tried for round 2 but nothing happening at my end (so to speak). Absolutely nothing wrong with this girl but I did phone the agency afterwards to express my annoyance, the guy on the phone apologised.

To sum up, good time but double check with the agency if you're going to meet the girl advertised.
