The Story:

Took a shower before she arrived in the room. When she came into the room my towel soon dropped off, we had a nice chat as she stroked my cock and I touched her firm body. Onto the bed for a front massage which turned into OWO. Definately an experience to remember. I had to stop her because I couldnt think of anything else but cuming. I opted for her to ride me where I was able to tounge and fondle her breasts, just perfect firmness and shape. After a short while she was grinding me so softly I screamed load and shot my load. Sophia is such a nice pleasant wg I will be seeing her again.
