The Story:

Led upstairs by the hand. Chatted comfortably for a few minutes and then down to business. Asked her to take the lead which she did expertly. Without a doubt Helen really enjoys her job. She is selective about who she will see, but if you are one of the lucky few you will find her pleasant, fun, attractive, relaxed and obliging in every way. And the sex?....read her other reviews, the best bar none. Whatever experience you require she will cater for easily. Highly recommended.
