The Premises:

The flat was functional, the bathroom tiny, and the bed was not made up.

The Lady:

The pictures on the web site are accurate. Lauren has large pendulous breasts with very sensitive nipples, relatively flat stomach that shows she has had children.

The Story:

Lauren was really nice to talk too and pleasant to be with. I went along to try anal but it didn't work out. She was very attentive and loved having her nipples sucked. She gave very good oral without and the sex was very enjoyable. Not sure if I would visit her again as she's not really my type, but I might do as I did enjoy talking to her!
