The Premises:

Decided to see this girl as I saw the web site and the other FR

Nice flat, clean easy to get to, safe.

Big room clean, generally what you expect from a west end agency.

The Lady:

She opened the door and I looked at her and was happy with what I saw, nice body, her tits were smaller than what the web site had said.

She is a indian looking girl from Russia??? She did look hot!!!

I had asked the guy at the agency to ask her to wear some sort of nice nightie, but she was in the underwear and thats where all the problems started!!!!

The Story:

I got in the room and handed over the cash she counted it and put it away, She asked if I wanted a drink I said no and she just looked like she didnt care. She cam back in the room and I thought it would be like a girlfriend experiance but I had to make all the moves, its like being with a inmature teenager.

She didnt kiss like I would have liked her to, she was curing up like she was tired and like she couldnt give a shit!!

I know I didnt smell as I has a shower before I came but she just didnt have the heart.

She gave me OWO which ok, ut if she give me the GFE aswell it would have just right. I got the

condom put it on and shagged as hard as I could, came, and then rested, she didn't even want to chat. I asked her if she was ok and if she wanted me to leave but she told me no.

I was pissed off by then and I asked her to suck my cock and she just kept on stopping!!! I understand it must be hard work but please try. I came and told her she needs to sort it out!!!

I then left.
