The Premises:

Clean establishment with efficient, pleasant maid. Very safe area.

The Lady:

Lara did not match the description on the website or in previous reports. She is described as slim and leggy. The lady I saw was on the large side and, although not short, was not leggy either.

The Story:

I have been to the retreat before and had a great time. This was a disappointment. Lara didn't match the website description but was friendly and pleasant. I outlined a scenario and limits, she did her best to fulfill them but without a great deal of imagination. Unfortunately she didn't put the gag on properly and I had to be untied to do it and the violet wand stopped working just as she got me hard and I couldn't come partly because I felt rushed. One of those sessions that just didn't work.
