The Lady:

See the pictures on her website; she really IS that gorgeous! Dianna is mid-30's, but looks younger. You only see her face on her site, but be assured that she has a body to match! Tall, slim, lovely firm boobs, fabulous long legs. very attractive face, with beautiful long, soft, black hair, halfway down her back.

The Story:

Dianna has a day job, and is only a part-time escort. She is a very warm and friendly lady, who really enjoys her work - as evidenced by the fact that she came three times during our session (or was it four?).

She does outcalls only; she visited me at my house. She arrived wearing jeans, so as not to attract any attention from curtain-twitching neighbours.

Having read her other reviews, I had a pot of tea ready on her arrival, which she appreciated. We spent about 20 minutes chatting, before going to my bedroom. Her jeans and top quickly came off, to reveal some very sexy lacy underwear. After some nice kissing and cuddling, I helped her out of the latter; the sight of her gorgeous body, naked on my bed, had my instantly hard and raring to go. I kissed and caressed every part of her, then licked her pussy, which she rather enjoyed; I brought her to a genuine orgasm in just a few minutes.

She reciprocated with a wonderful session of OWO, at which she is both skilled and enthusiastic. As she did it, with me lying on my back, her lovely soft hair flowing over my skin added to the sensation.

A prolonged session of sex followed - me on top at first, interspersed with lots of kissing, cuddling and caressing; Dianna kisses quite passionately. We kept it up until she came again.

After a brief rest, we continued cowgirl style - something else at which she is very skilled.

Finally, I licked her to yet another orgasm, then she finished me off in my favourite way - more wonderful OWO, continuing even after I had shot my load in her willing mouth.

To describe a session with Dianna, the overused term GFE is entirely appropriate. As soon as you get her in the bedroom, you can easily forget that you're paying her; you are her lover for the evening, and you're making love, not just having sex.

This was a marvellous evening, with a very sexy, warm and loving, and above all BEAUTIFUL lady! Will I see her again? Just try and stop me! When finances permit, I'll seriously consider laying out

some major money, to spend a full night in the company of this wonderful babe.
Thank you again, lovely Dianna; I hope I'll see you again soon.
