The Premises:

Clean place but obviously used by other girls. Small room with single bed, had to walk to shower room and saw other clients and escorts.

The Lady:

Doesn't really look like the website but quite attractive anyway.

The Story:

First off the lady is advertised as Japanese which is not true. She said she was from Yokohama which was a lie. During the punt she answered her phone and left the room a few times. She gave a massage and then oral with, again not as she advertises on <http://www.yumioflondon.co.uk/> which is the same girl. after about 1 hour she asked me to get dressed so I told her I still had an hour left and was she going to refund the other 140 for the 2nd hour. She said no she doesn't do refunds and another punter wanted to use the room so we had to go to the living room. Poor conversation, kept talking with another girl in Chinese. I got bored and left after 20-30 mins. Disasterous punt, avoid like the plague
