English, about 25yh absolutely submissive.

The Story:

I've already booked her for the next week as my experience in that 30min has been just fantastic. Emma is absolutely submissive and with her I had the possibility to discover some new sensations. After a little bit of watersports I took her to the ?dungeon? where she received some very hard spanking and caning making the right (real and suffered) noises, after that I took her to the bedroom where she sucked me pretty well before to receive some hard pumping anal. Great the noise that she made when I spanked her bum while I was riding it. Great, as I said, I've already booked her for another session next week.
