The Premises:

Pleasant 3rd floor flat. The room was spacious & had pictures of Valentina on the wall. Large bathroom.

The Lady:

Russian lady. About 5 feet 8. The pictures on the website are a little flattering. Attractive face, A/B cup breasts, nice legs. Not as fit / toned as the pictures imply. Overall she is attractive and desirable rather than the stunner suggested by the pics.

The Story:

The downside of this punt is in the physical description above.

The upside is that this has to go down as one of my three best punts of 2005. Valentina is fun, sexy and great company for an hour. Highlights for me were her french kissing (one of the best kissers I have met), DATY and her instinctive understanding of what I wanted from this punt & how to turn me on.

Two pops in the hour with 5 minutes of interesting chat between - she is clearly no dummy & knows what she wants from this job.

She expects to be around for another 2/3 months.

Recommended? Silly question.....

Will I return? Equally silly question.....
