The Premises:

The flat was in a very expensive part of town. It was clean, safe and easy to find. Booking was easy and the agency seems friendly.

The Lady:

Cherry is slim boyish 5'7" with brown/red curly hair. She has small breasts, a neat shaved pussy and a small round arse. Nice lips.

The Story:

Overall I cannot endorse the rave reviews from others on the site. Cherry is an OK fuck. Her plus sides are that she has a pleasant personality and is not a clock watcher. She is compliant and is perfectly OK with being fingered vaginally and anally. She does reverse oral, CIM and FK. Anal was on offer but I was charged an extra ?30 on top of the standard ?150. Other punters have been given it for no extra costs. So the lady does discriminate.

There were others in the flat who kept walking up and down outside the bedroom often coughing and making noise which was distracting. Although I had mentioned anal before we began when we got round to it she interrupted the proceedings and demanded an extra ?30, 'Now!' She also lacked enthusiasm. I have had better for ?80. Not very good value and all in all not a very satisfying experience. Think before you gamble on Cherry.
