The Story:

Dissapointing

After some great punts with this Agency recently - Cherry sexy and hot, Pam so pretty and hot (see their reviews by others) - a poor punt

No smile on greeting - BJ was with - no kissing whatsoever - Sex ok. After round 1 no attempt or enthusiasm for seconds - Nata just lay there. I spent a long time with my face in her sweet pussy but after that I ended up wanking myself for my second cum -

I do not like to give negative reviews generally but seems hard to believe previous reports on the 90min site
