Beautifully trimmed pussy

The Story:

A full on 90 minutes. Highlights were lots of deep good kissing and Cherry paying lots of attention to my cock whether with her hands or mouth. Her touch was right for me. I spend an age with my face in her sweet fresh cunt coming up occasionally for air and to kiss deep with her juice still in my mouth - her arse in the air accomodating my fingers - my face in her arse and then more deep fk

For Pop one I wanked as Cherry watched, her head between my legs after some BBBJ. I came half in her face - beautiful to watch my cum dribbling down her chin - and she then sucked me dry. More passionate stuff and a mish fuck for pop 2

Lovely girl - Cherry was up for it and was passionate and responsive. 90 minutes went by in a daze. Not sure about A - but A great punt. Surprised there is a negative report but then see my report on Nata, who had good feedback on the 90 min site --
