### The Premises:

Her apartment is small but adequate enough for our purposes. Small bedroom- no mirrors.

### The Lady:

A petite, bubbly, cheerful and uninhibited Muscovite woman. Nice size tits, pert body, shaved girlie bits, an oh so sexy mouth and lovely ice blue eyes. She is older than her stated age of 23, possibly in her early thirties but don't let that get in the way. She really does know her stuff and delivers with enthusiasm!

### The Story:

She greeted me warmly and enthusiastically, putting me at ease and offered me a drink. After settling the account we immediately moved into her 'office' where a large double bed occupied the floor. She stretched me out on her bed face down while she proceeded to rub me down with tits, body and tongue. After about five minutes I turned over and she began the old slow tongue and mouth massage on my cock (uncovered) with expert technique. As I rose to the occasion, I flipped her over on her back, opened and fingered her ripe pink pussy, no problem! A little bit of pussy licking and I was ready to fuck. We went into a great doggy style fuck while I gently massaged and probed her arsehole (delicious!) followed by more positions. Finally she crouched on all fours while I wanked off in her mouth, she took my last drop and retired to her bathroom giggling. Great punt and GVFM. The only sour note was that she put her alarm on for five minutes before the end and I was more or less pushed out of the apartment which spoilt an otherwise great session. Madie if you are reading this - I loved the sex and would like to visit you again but only if you don't rush the end and don't call me 'sir', OK?
