The Lady:

Met at the door by the hard faced,mechanical,clock watching Bonnie who had obviously ushered Kirsty from the room in the hope that she would be the recipient of my visit? Oh how WRONG! Kirsty is 5ft 8 tall Blonde haired with an athletic figure and with the legs of a super model and the most perfectly rounded bum,absolutely stunning!

The Story:

This gorgeous girl started brilliantly with owo with loads of eye contact.It was my intention just to have owo to cim until i asked whether she did any other services? Then she mentioned A and the decision was made that i had to have her.Some of the women say they do until they cop an eyefull of the package and then say no,this lady didn't. loads of different positions and deep and varyiny paces aswell. A real gfe as she holds and craddles you as she took it all the way in her tiny arse,time nearly up so i had her submissively on her knees(rubber off) whilst she sucked me off and exploded into her mouth.she took the lot really well. Fantastic!! However i feel she wont last long here as the management usually get rid of the better girls and stick with the dross,ie Chardonnay,Sasha etc. I really do hope they keep this babe though,but alas...
