The Premises:

Entrance was a bit dingy and felt a bit threatening since you have to walk along an unlit alley between 2 buildings to the door

The Lady:

Good looking. 5 - 9 tall with 34 A boobs, slim waist and a nice bum

The Story:

Came in chewing gum, which she only disposed of after we had undressed. She could not have displayed less interest if I had asked her to inspect my toenail clippings!

Didn't kiss, didn't cuddle, didn't do OWO despite comments on the web site, didn't do much except a rather perfunctory wank.

All in all a very disappointing punt and I shall not be returning.
