The Premises:

Basement Flat, Immaculate kamasutra type bedroom, greeted informally by maid who offered drink and seated whilst I awaited for girl

The Lady:

Katrina, an absolute stunner appeared exactly as described on website, impressed for my first punt, negotiated ?80 for cum once/30 mins service--came back after a few mins

The Story:

Started by asking me to take off clothes and then she took off hers immediately, did a few mins massage, I then asked if I could play with boobs which she allowed I sucked them off.

She was riding high in a delightful cowgirl mode, we talked at the same time. Later I asked to take her from rear, was not working out,

I asked her to come on edge of bed which she obliged, I stood whilst she laid down, rubbed against her boobs, I took her all the way to a delightful climax (Just in Time)

Improvements/suggestions ** did not offer oral, music/was available but not played
