Thats the only good thing about this punt

The Lady:

She is slim and have good breasts

The Story:

I have never done a bad punt report but she deserves one. The worst of my experiences a 40 pound soho punt would be better. She does not kiss she does not do owo. Her cunt smelled and while having sex she held my penis with her hand. Can it get worse. I have never spent 150 pounds so badly. I did not want to go for second round and just spent time drinking the wine i brought.

And darling Katya if you ever read this report escorts done stay with families and dont go out naked in front of couples.
