The Story:

Phoned on my way down the motorway, not sure when I would be able to get there so she said to call when I was at the pub. Unfortunately she had an appointment booked for 14.15 so couldn't fit me in for a full half hour.

Asked if a quick Bj was possible and she was fine with that.

Went in, kissed me deeply and took me straight upstairs. As time was limited said she would only charge me ?30, whilst i was geting it out of my wallet she was straight on her knees and undoing my belt. Gave me a very good BBJ to completion, then showed me what she had in her mouth and let it dribble down her tits (Fantastic). She then offered me a lick (not my thing), so a quick clean up and I was on my way. Will try to make it for a full session next time, maybe even an hour because I get the feeling it would be time very well spent.
