The Lady:

Well i have seen Rasa many times now and i think this was the last. She is very good at her job but she has gained a few pounds and was a bit smellie for me. This was short notice visit so maybe she din,t have time.

The Story:

I had her dress up and we started with a blow job. But it was there that i started to lose interest in her. She is very good at what she doe,s but i fount myself just talking to her instead of round two. As i chated to her i began to smell her and this was not nice. I have seen her many times in the past but i think that was the last.

She is good at her job but give a hours notice to avoid what happened to me
