The Story:

Never done a review before, but thought todays visit to Abbie, worthy of a special mention.

Decided on a mix of strict bdsm, combined with more sensual fun.

Started with a good hard caning, whilst strapped over the whipping bench. She really seems to enjoy this and my bum now has some very colourful marks, as a reminder of a superb session.

Following the caning, I was tightly bound with ropes and subjected to some delightful sexy teasing, using all of her gorgeous body and climaxing with great sex in cowgirl mode.
