Easy to find, close to the tube, perfectly pleasant basement flat.

The Lady:

Tall, slender, long-haired brunette - exactly as website photos. She's lovely... slim, tall, tanned, small but pert tits with the best nipples ever, and everything in proportion. Very very personable too.

The Story:

Wow.

Kate is just born for this.

I'm not into serious pain, or heavy role-playing situations, so I just wanted some tie-and-tease, some touching, licking, sucking, fucking, and a good fucking of my arse with a strap-on. Hey... I know that's not for all of you, but if you like some kinky fun, Kate must be the best in town.

She seems to really enjoy this job - we talked briefly about what I wanted - frankly, simply, no embarrassment. She's a professional, but has a continuous glint in her eye that says she is actually enjoying it, and she certainly never looks bored!

The details don't matter - everyone will have different requirements. Suffice to say that Kate is extremely sexy, will do pretty much whatever you want, is extremely knowledgeable and capable, well-armed with the retreat's collection of goodies, and can take you to a long-lasting, intense, tingling, place that you have probably rarely been to before. Among all the teasing, sucking, etc, I opted for the larger of the two strap-ons offered...heavenly. Kate fucking me deep and slow is something that will stick with me for a long time. Eventually, I asked for larger and she produced yet another unit... about as big as I could handle at the time... divine. This is exactly what I wanted my first "domme" experience to be like... and I think next time I might be up for something a little tougher...

I don't know how anyone can do a half-hour appointment with Kate. I booked 45 minutes and increased it to the hour as soon as I saw her. If I could afford it, I would love to do 2 hours or even longer... she would have time to really tease and string me out... the thought is amazing.
