The Premises:

At the moment Kiera is just starting out as an independant having recently worked for a parlour. She can offer outcalls and books a hotel on a regular basis for incalls which is what she did on the day of my visit. The hotel was ideal for the purpose, consisting of seperate buildings in a chalet type setting so no need to go via reception! Located in central Hull with its own parking. She hopes to have a flat available soon.

The Lady:

See her website which says it all. It is accurate and Kiera is a delightful young lady who is enthusiastic in what she does.

The Story:

It was one of the best visits I have ever had! She genuinely wants her clients to be satisfied and in my case at least she certainly succeeded!

When I arrived she was dressed in her schoolgirl outfit at my request and all I can say is that they were never like that when I was at school! In those days they wore knickers for a start! That said it was also realistic.

I don't like to go into too much detail but it was a good experience as Kiera enjoys giving and receiving. She was VERY responsive.

I paid an extra 20 for OWO on top of her basic 80 fee and that was the finale!

If Kiera maintains this standard she will be very popular!

Highly recommended.
