### The Premises:

A second floor flat in a quiet and discreet area of town, not too far from the centre with easy parking on the road outside. The flat is comfortable, well appointed and clean.

### The Lady:

Demi is attractive, about 5ft 5in tall, slim and has an all over tan. She is extremely friendly and makes you feel very welcome. She has lovely breasts and fantastic nipples, quite a size and sticky out too!

### The Story:

Demi gives a very good firm massage with her hands, she spotted my knotted up shoulder muscles and eased them gently with her hands. This was followed by a superb massage with her lovely breasts, very erotic. She turned me over, took off her pants and continued massaging me. Although I was getting quite hard by now, I just had to suck those nipples; this brought moans of delight from Demi as they hardened in my mouth. Then it was on with the rubber and Demi squatted over my cock and gently lowered herself onto it, taking it in down to my balls. She moved gently at first and faster as I said I was about to come. She finished me off with a shuddering orgasm. After a cuddle, she cleaned me off and I went for a shower. I felt very relaxed, she seemed in no hurry to get me out, having a chat as I was getting dressed.

A superb experience from a sexy, talented lady ? ENJOY HER
