The Premises:

City Girls new apartment in the same block as House of Devine, spotlessly clean felt very safe and plenty of parking at this time of night.

The Lady:

Carla's pictures are on the City Girls web site, however I personally think they don't do her full justice she is stunning in the flesh, perfect figure and a gorgeous pair of breasts.

The Story:

Had thought about seeing Carla for a while after hearing about her from Lara who used to be at City Girls so when I found out carla was available I decided it was time I did even though it was Friday 13th! was greeted with a kiss and led to the room where we sorted out the money side the details of what happened next will remain between carla and I but I have to say it was an amazing hour spent in the company of a very sexy sensuous young lady who knows what she likes and makes sure you both enjoy the experience something I intend to repeat soon.
