The Premises:

Clean flat in a safe area. Not far to walk from the station.

The Lady:

Very attractive young lady. Very similar to her photos, but with an all over tan. Small breasts (but I like them like that). Very tall with hardly any fat on her. Her English is not bad, but sometimes I had to repeat myself to be understood.

The Story:

I phoned the agency to say I would be early and they said no problem. Arrived and she was waiting for me wearing a sexy outfit. I was impressed by her looks and was looking forward to what was to come. Handed over the money and got undressed. Needed to encourage Lucia to get undressed. She asked me what I liked and she said that was OK. Had a great time kissing her and then performed oral on her for a little while. She seemed to enjoy it.

Then she asked if I wanted a condom and I said yes. I noticed that she only had 1 condom easy to hand and that got me thinking I may only get one shot. Anyway she performed all the services including A level in mish, but she seemed to be a bit uncomfortable when I thrust hard into her ass. So switched back to her pussy after she had wiped the condom carefully with a baby wipe.

I decided since it was obvious I was only going to get one shot to make it last, so I tried to control the pace in the different positions. Finally chose mish for the climax. Then she gave me another babywipe and told me where to put the used condom. Allowed me to have a shower, but the session was obviously over and no further interaction was to occur. I left her apartment after the shower less than 1 hour after I entered the front door.

In conclusion. She is a lovely girl, very attractive with a good body, but on reflection I think I prefer shorter very slim girls. There was not a great deal of enthusiasm coming from Lucia, and I was disappointed that only 1 cum seemed to be allowed. Although the rate included A levels I thought it was an expensive punt for 1 shot. I would not see her again, and would recommend her only because she was very attractive, and others may have a better time with her. In hindsight I would

have preferred to spend the money with one of my favourite girls Anita (Oriental), but I wanted to try something different.
