The Premises:

Safe area with parking outside. House looks a bit shabby & the stairs up to her flat are untidy. Once inside her flat everything changes, it's clean, tidy, warm & cosy, with soft lights, music and a porn video to watch if you want too. The bed was well laid out with sheets and towels etc.

The Lady:

A young attractive lady with a natural tan. Shaved pussy, and tits to die for, nice and firm with nipples that stick out, begging to be sucked.

The Story:

As I'd been driving all day I was glad to be greeted at the top of the stairs by this young, attractive lady wearing small black bra & pants. I was immediatly hard and ready to go!

We got the money sorted quickly and she offerd me a drink and then I got undressed and onto the bed. She massaged my back with expert hands paying special attention to my ass and balls, I then turned over and she did the same to my front. With condom on I was given a fantastic BJ, almost too good as I nearly came, she slowed down and gently sucked my dick and played with my balls and ass while I sucked and played with her long and VERY suckable nipples.

As she lowered herself onto my very erect dick, the door bell rang, it was her next customer!!! She quickly showed him into another room and returned to start again. It didn't take long for me to return to working order. She then proceded to fuck me while I played with her tits again.

When I'd come she cleaned me up and offered me a shower. I left a very happy man ready for the 2 hour drive home.

Next time I'm that way for a meeting I'll visit again.
