The Premises:

Set in industrial area down side alley, not overlooked, establishment big, clean, free lockers for clothes, hot showers, large spa pool, jacuzzi, sauna, choice of rooms, friendly receptionist gave me guided tour first

The Lady:

Mid twenties, very pretty, long dark hair, shapely legs, prob 34c boobs, shaven, Bulgarian but perfect english, she has lived here since young

The Story:

Enjoyed a relax in the jacuzzi with Leyla before going upstairs to the dome room, large round bed with a planetarium type ceiling above, massage first followed by covered oral and reverse oral, would have been better if Leyla had made a bit of noise or something but I enjoyed it anyway, the massage itself could have been better with some talc or oil, Leyla may get better with more experience, hope so she is a nice girl, we went back to the jacuzzi after for another cuddle in the hot water, a pity she did not kiss, would not see leyla again because there are so many more to see at this place, I will return as the atmosphere is good and there is no rush
