### The Premises:

Sandys - the best, setting new standards

### The Lady:

Unbelievable - the fittest-looking girl i have ever seen, great skin, tiny waist, firm, legs, ass, boobs - radiant smiling face, lips. You just dont get better. Anjelina Jolie looked good in tomb-raider but that was inside a sculptured suit. Believe me Leah is better than that -- naked

### The Story:

I went with Leah some years ago just after she`d had her boobs done and she was absolutely fantastic. I never went back as i just didnt think 2nd time around it could be any better.

This xmas period i went a bit mad and i must admit i had a great run of about 5 girls at sandys over an 8-week period (Sophie for the 2nd time and Katrina were very memorable) - seemed like a winning run (usually you get a disappointment or two to kerb your enthusiasm). Anyway, enough was enough, in the interests of my bank balance and because i dont want to get obsessive (i can be a madman when i get carried away i really can) - i decided i`d cool it a bit but i needed a last brilliant guaranteed great shag (didnt want to end it on a bum note) - i`ve always recommended Leah to my mates as being the perfect superstar - ideal punt for 1st-timers too as shes just so fit, i thought why not go again?

well i wasnt disappointed - despite me unsuccessfully trying to impress Leah with a magic trick i`d learnt (i can be such a jerk at times) - she humoured me along well - she`s the ultimate babe.

Strange but its really reassuring that she`s still around, she always seems to know what shes doing and i feel safe with her. Sandys would never be Sandys without Leah thats for sure - she made a great fuss of me including a last lingering kiss in reception which made me leave with a huge smile on my face and wishing i`d booked an hour

thanks Leah - you are the ultimate fit babe and have a great zany sense of humour - i hope you stay around a lot longer. See ya soon at Sandys

ps - if i win the lottery this weekend i`ll come and split it with you and we`ll get you a real car ok? -  
take care
