The Premises:

Basement flat in a Kensington apartment block just a short walk from Ken High St tube. Parking was fairly bad but doable with a short walk. Nice flat.

The Lady:

Short, long blonde hair, petite build with some excellent curves and an amazing smile. For once, exactly as the photos depict and even better in the (soft, smooth yet firm) flesh. Claimed age was 19 and even if she was a tad older, she certainly looked it.

The Story:

This will end up being a review of a girl who has just left these shores, but is worth doing in case she comes back (as she hopes to do). In short, Cindy was amazing. This was the third or fourth time that I had tried to book her and was lucky enough to catch her. When that happens, it either means that the girl doesn't work too often (which could be a problem girl), or she is so popular that she is permanently booked. I'm going to presume the latter, because I had a great time. A real mixture of great technique and enthusiasm and she really appeared to enjoy what she was doing. My only complaint was no reverse oral, which every gentleman should at least offer to do.

In short, although she may have returned home now, if she ever comes back then it's a case of 'form an orderly queue'. And I'll happily be at the head of it.
