The Premises:

5th floor flat near Gloucester Road tube. Small room, but big enough. From her site I see she's now moved to Bayswater anyway (which she mentioned at the time).

The Lady:

Petite, pretty blonde, just like her web site pictures. Nice eyes and big smile. She's not 24 though, she admitted to 27 when asked, but it doesn't matter. She's also Russian, and her English is limited but more than adequate for the task in hand.

The Story:

Started with kissing (no tongues) and mutually undressing (nice) and then with me down on her during which she was quite noisy and seemed to be having a good time. Then it was my turn, and after some nice oral she slipped on the protection, and then slipped herself on for some cowgirl. This was followed by doggie and I ended up with a very nice, if not deep, OWO (CIM but no swallowing).

She's a lovely, friendly girl who seems eager to please, and is good at her job. The last 10 minutes were spent in some of the best after-play I've enjoyed.

This was my first punt with a Russian girl, and I will be back for more.
