### The Story:

Started to undress each other, could'nt wait to get her out of the uniform she was wareing a gorgeous black bra and pants, started with a back massage really ached today she certantly started to relieve the pain which quickly turned to pleasure, turned over and returned the compliment with a nice gentle massage my fingers and thumbs started to do the trick, she was putty in my hands (lol), down to her sweet smelling pussy hers she certanilly likes the tong Action she was moaning and growning, it was my turn to have the complent repayed on with the cover with a nice long bj and of course that tonge action of tiffs. started of with missionary position, then she jumped on top for a good session, those eyes and tits of hers and that lovely smile of hers, she certainly enjoys her work, she jumped of as i was about to come and i wanted to finish of with her blow job i shot my load boy twice in a week must of been christmas again, lay on the bed chatting kissing and cuddling. Boy I wished she lived in Nottm.  
I would never be away.  
Finshed and went into the sauna for a while, was made a drink.

Once again tiff. Thanx. Andy xx see you soon.
