The Premises:

safe enough area. the building its self was a bit run down and needs a good clean!

The Lady:

told she was early 30s more like 50s quite nice looking for that age!

The Story:

Rushed,rushed, very rushed came into room 2 second massage then covered bj for a couple of mins then she sat on top of me and started riding me which was fine but when i said i didnt want to cum yet she just ignored me and carried on riding which of course made me cum!
I have used this parlour lots of times in the past and used to like the lottery of ladies that work there.
I really regret not going to brooklyns down the road and paying a fiver less! still you live and learn.
