The Premises:

Very clean and relaxing environment, met by maid, offered glass of wine, made to feel comfortable, before meeting Amy.

The Lady:

WOW!!!, Every blokes dream, long blonde hair, great figure mmmmmmmmm. My first visit here and I was nervous as hell, but as soon as Amy came into the room, she put me at ease.

The Story:

I came here because I had long fantasised about trying CP and anal play but was a little unsure about full domination, I explained this to Amy, and was told to undress and she'd be back in a short while. I was sitting on the bed which didn't please her so I had to kiss her legs by way of apology, next was tie and tease while tied to the cross (wow everything I'd hoped for but better), she then spanked me across her knee and gave my bum some grief with a paddle. Then I was ordered to kneel on the edge of the bed on all fours where I was given a brief finger fucking followed by the strap on (this was quite exquisite, I had often fantasised about this but getting it was unbelievable), I was then ordered to worship her beautiful bottom before being tied to the bed for her to ride on top of me, she finished off with me still tied down and her wanking and fingering me.

Brilliant, I wish I had booked more time, but hadn't known quite what to expect. Only complaint; I wasn't allowed to lick her divine pussy, maybe next time.
