The Premises:

Their usual Paddington apartment. Clean discreet and nicely furnished. Very spacious with plenty of room.

The Lady:

Three ladies on for the evening.

Lucy a lovely demure softly spoken ebony lady, easy to get on with and absolutely stunning.

Gina a blonde Czech lady who defines the word sultry and fucks with an intensity and passion that is out of this world.

And Celine partying for the very first time, a slim dark haired real English lady who when she wasn't being a horny little minx talked for England.

The Story:

This is a very good set up. Think there were seven or eight other guests which was well within the promised three to one ratio. The ladies were great fun, sexy and very friendly. Everything you are likely to need is provided. Drinks and food are readily available. Shower facilities are excellent with fresh towels and robes all easy to hand. Although unable to party Lady Marmalade was present, as she always is, to make sure we all had fun. All the elements go together to make this a class act. Great girls, superb apartment and the warmest of welcomes. The sex is outstanding with the girls eager to oblige. Saw all three girls in my time there with each one of them providing that something slightly different which is what makes parties so much fun. Good evening at outstanding value, no wonder they are so popular.
