The Story:

Where do I begin. I had planned on an out call and still prefer out calls when possible. Arrived early though so decided to call round instead... impatience clearly a problem of mine.

Kandy came over specially for me and is one of those people I find I warm to immediately. She enjoys life, is funny, easy and knows how to make a guy feel that he is being taken seriously (v. important sometimes!). On top of all that she has to rate as one of the sexiest women with whom I have had the pleasure of baring all. Not only is she sexy but she pushes all the right buttons, is great fun to be with and holds a lively conversation. What more could you ask?

One more thing for me actually, I find it much more exciting with women who clearly physically enjoy having sex and Kandy gets wonderfully wet (in her words, 'what a bitch...!') - thank you Kandy, it was a great evening and I look forward more than I can say to our next encounter.
