The Premises:

On a bust main road but discreet back entrance, place was spotless and the rooms were beautiful.

The Lady:

19-20 maybe wearing a school girl uniform but didnt get a great view of her body as she failed to stand up

The Story:

well what a waste of ?80! first thing she did was take off her school uniform which was why I picked her, back rub with talc but no conversation what so ever, asked me If I would like to give her a massage but flinched everytime I touched her, just got the impression she did not want to do the job.

Not cheap this place at ?80 but for that amount you would expect some enthuisasm
