The Lady:

as it says on the website, slim and sexy! Nina arrived wearing a long coat but when she took it off she was wearing a short skirt and stockings - very nice.

The Story:

we spent a bit of time over a glass of wine just chatting to begin with. Nina is very talkative and I enjoyed the conversation. When we moved into the bedroom she looked at me and said "I'm here to do what you want!". She was really great - a fantastic kisser, oral sex was brilliant and going down on her produced the required result (I suppose she could have been acting, but it seemed real to me). She told me that she enjoys what she does and tries to have a good time every time. I thoroughly enjoyed my time with her and will quite possibly see her again at some time in the future.
