S is older than stats suggest and pics are flattering. Gravity is taking its toll. Still attractive though - tan, shaved, nice tits

The Story:

To start with I have to say Soph appeared somewhat drunk - out of it somewhat and probably should not have been working - she had trouble texting the agency - whatever - once through the door I rarely turn back ..

No immediate kissing on arrival as expected but things did improve with decent BBBJ, good Kissing, DATY and then a lazy fuck till I had - has to be said I was desperate for it - an intense cum. S is pretty friendly, quite horny, can take the initiative, is attractive, and appears to enjoy.

Not quite the full on experience I expected and I was not entirely up for it given under the circumstances. I guess my expectation was sky high from FRS and site feedback so disappointing on basis of my visit and a some great recent punts
