The Premises:

A nice flat in a large apartment block. Entry via entryphone was a problem as it wasn't working so I had to call the agency to call Erica. Inside was warm and very high class. Parking at that time of night was fine.

The Lady:

Short, blonde, not skinny but not fat, large breasts and a dazzling smile. Photos on the are accurate and recent. Soft, smooth skin and very cuddlable!

The Story:

It's funny that photos can show you what a girl is like, but you can never tell what she is like. Erica is a bundle of sexual fun! No messing about or wasting time, she sat and kissed straight away. She is happy to do and try various things but by her own admission, she 'likes fucking' and really gets into it. This is the kind of girl that makes you want to spend more time in the gym getting fit so that you can keep up with her! She also is no dummy either - smart and talented as well. Definitely worth the money and thoroughly recommended.
