The Premises:

A small but bright and clean flat in a very well known block in Chelsea. The area is nice, and I felt totally safe.

The Lady:

Susie is in her early twenties and comes from Eastern Europe. She is about 5' 6" tall, with long dark hair framing a very pretty face. She has pert boobs and a gorgeous firm shapely bum which looked fantastic in the tight jeans and boots I had asked her to wear.

The Story:

When she opened the door I realised at once that I had struck gold, and we clicked immediately. We started snogging straight away - her DFK is outstanding with plenty of tongue. OWO and reverse oral followed, both delightful (she has a delectable pussy); I then paid close attention to her fabulous butt, and we went on to 69; this is not usually a particular favourite of mine, but she turned me on so much that I couldn't hold back even if I wanted to (which I certainly did not) and she sucked me dry with amazing skill. We chatted (her English is adequate, and she has great charm and a fine sense of humour) and I went on my way, determined to pay Susie a return visit in a few days time. Final comments: Susie is young and fresh and enthusiastic, and is unrivalled vfm; and the agency were pleasant and efficient.
