The Premises:

Close to london bridge. Safe parking and discrete entrance to ground floor studio flat. Flat was cosy in a soft, sexy, slinky, saucy kind of way. Her "den" was a red hot boudoir an oasis. Very interesting Decor!

The Lady:

Well what can I say about Heather, the site says it all, A little bit different, a little bit quirky, a lotta bit tasty. Heather indulged me in considerable email before our meet, which helped my nerves a lot. She is great company, very funny and well read, escorting is part time for her as she has another job. She was involved in the scene years ago, so she has experience of people. There is no way she looks 39, classy, sensual, witty and real easy to be around. Has a lovely Scottish accent that just curls around you.

The Story:

A Gentleman would never tell tales on a Lady. Like I said we had had some chat before hand so all that awkwardness about "what do you want to do?" was avoided. Heather was clean and safe, a highly charged erotic experience followed for me. After tea and chats I was lead to her boudoir. Heather is very imaginative, attentive and creative, clearly enjoys her time. Very sensual and caring knowing just when to stop when to go when to stop again etc etc... My fetish needs where taken care of deliciously. The Finale was a nice bath and lovely dinner. It felt like 2 friends have a cosy night in together, (a friend who will indulge your fantasies to the max) It felt like I had been there for hours. If your reading this looking for value for money? then my experience was! But more than that. A great companion, intellectually stimulating, witty and Damm sexy!! Treat her right, you won?t be disappointed.
