The Premises:

Part of a converted old house - bottom floor flat. Very clean and tidy and very discreet as well.

The Lady:

Door was answered by a brunette who was nearly a vision of what I would describe if I had to create my perfect woman. Shame she was the maid and I'm too much of a gent (or wuss) to ask if she worked. Jessica was about 22, 5'5" blonde and was very tidy indeed. Bubbly personality and all round nice gal. Not a raving stunner, but when lovely all the same.

The Story:

Didn't fancy the idea of watching Scotland get dicked at rugby, so I thought I'd tap my pipe out instead. Glad I did. Sat in the room for a while whilst Jessica prepared herself. Straight into French kissing and oily massage. What followed will not stay between me and her, because I think you should put detail into these reports. OWO (tremendous) then onto 69 (sweet and tasty Brazilian and quite small and very tight) then I went down on her, then more 69 followed by shagging in 2 positions. (CIM is an extra 10 by the way)

Finished in a mish, and came a bucket load. And the sweetest thing of all was when I was getting sucked, she bumped the TV, which switched from music to the Rugby. The final whistle went on a surprising Scottish win just as I unleashed a load into her sweet pussy.
